Shuttle buses operate 24 hours between the lot and the terminals.

Oversized vehicles that are unable to enter the garages due to height limits (6-feet) are welcome to park in the Economy Lot at the economy rate. For visits less than 24 hours, these vehicles can also use Short-Term parking (ground level of garages) and park at the prevailing short term rate. Oversized wheelchair equipped vans unable to enter the garages will be charged the less-expensive Garage rate in Short-term (ground level of garages) for visits less than 24 hours. Note: Overnight parking is not permitted in Short-Term parking.

Buses, trailers, semis, and vehicles over 9,000 pounds gross vehicle weight are not permitted in the Economy Parking Lot.

For security reasons, vehicles must be parked with the license plate facing the drive aisle in Airport parking facilities.

For more information, please call the Philadelphia Parking Authority at 215-683-9842 or go to its website at www.philapark.org

RENTAL CARS & GROUND TRANSPORTATION

SEPTA R-1 RAIL AND BUS SERVICE

SEPTA provides train service between Center City and the Airport on the R-1 regional rail line. One-way fare is \$7.00. Stations on the line are Market East, Suburban, 30th Street, University City, Eastwick and Terminals A-East, B, C-D, and E at the Airport. Trains leave every 30 minutes and operate from 4:25am to 11:25pm (Center City to Airport) and from 5:09am to 12:09am (Airport to Center City). Connecting service to other SEPTA regional rail lines is available at 30th Street Station, Suburban Station and Market East for an additional fee. Amtrak connections can be made at 30th Street Station. The Broad Street Subway can be accessed from Suburban Station. Connections to the Market-Frankford El can be made at Market East, Suburban and 30th Street Stations. Stations on the R-1 line are wheelchair accessible. SEPTA provides bus service on the Route 37 (South Philadelphia) and Route 108 (69th Street Terminal) buses. One-way fare is \$2.00; transfers \$.75. Buses can be accessed in Zone 1 on the Arrivals Road outside baggage claim. For more information call 215-580-7800 or go to www.septa.org

PARK & RIDE / CELL PHONE LOT

Motorists who are coming to Philadelphia International Airport to pickup passengers can now wait in the PennDOT "Park & Ride" lot located at approximately 9144 Bartram Avenue, Philadelphia, adjacent to the Southbound I-95 exit ramp for Cargo City. The lot contains approximately 60 striped spaces, is lighted and has two easily accessible entrances. Directions to the lot from I-95 are listed below. More detailed directions from specific addresses can be obtained from online mapping sites such as Map Quest or Google Earth.

Drivers must remain in their vehicles while waiting for passengers to arrive at the Airport. The lot is not staffed, but is patrolled by Airport police.

To access the Park & Ride from I-95 Southbound: Take Exit 12B "Cargo City." At the light at the end of the ramp, turn left onto Bartram Avenue. Follow the signs to the lot, which is on the left.

From I-95 Northbound: Take Exit 10 "Bartram Avenue/Cargo City." At the 1st light, turn left onto Bartram Avenue and follow Bartram Avenue to the lot, which will be approximately ½ mile up the road on the right.

To return to the Airport from the Park & Ride Lot: Turn right onto Bartram Avenue and follow Bartram Avenue to Island Avenue. Turn right onto Island Avenue and follow the signs for I-95 South. From I-95 South, take Exit 12A to Philadelphia International Airport and follow the signs for "Arriving Flights."

SECURITY SCREENING

Before arriving at the Airport, passengers should ensure they have all necessary documents, including a government-issued photo ID, such as a valid driver's license, passport, military ID or a county, state or federal government agency employee ID. Photo ID is required for passengers 18 and older.

Passengers should arrive at the Airport at least one hour prior to a domestic departure and two hours prior to an international departure. Allow extra time for checking in and security screening during peak travel periods. Passengers must obtain boarding passes prior to entering the security checkpoint. Boarding passes and photo ID should be ready for inspection at the security checkpoint.

Liquids and gels in containers larger than 3 ounces are not permitted through the security checkpoint. Liquids and gels in containers of 3 ounces or less must be placed in a 1 quart size clear sealable plastic bag. Clear plastic bags are limited to one per person and must be presented for inspection at the security checkpoint and placed in a bin on the X-ray conveyor belt. Liquids and gels in containers larger than 3 ounces will be confiscated at the checkpoint. Exceptions are made for baby formula, prescription medication and some other items. More information on prohibited and permitted items in both carry-on and

(continued on pg. 11)

SECURITY SCREENING (CONTINUED)

checked baggage can be obtained by visiting the Transportation Security Administration website, www.tsa.gov or by calling the TSA toll-free at 866-289-9673.

To expedite passage through the checkpoint, remove shoes and outerwear such as coats, jackets, and belts and place in the plastic bin provided at the checkpoint. Place any oversized electronics (laptops, full-size video game consoles, DVD players and video cameras that use cassettes) in a separate bin. iPods and other small electronics can stay in carry-on bags.

As of January 1, 2008, loose lithium batteries are prohibited in checked baggage. Keep batteries and equipment in carry-on bags. Visit www.tsa.gov/travelers/airtravel/assistant/batteries.shtm for more information on traveling with batteries. Pack undeveloped film in carry-on bags. High speed and specialty film should be hand inspected at the checkpoint. Screening equipment will not affect digital cameras and electronic image storage cards.

Travelers with disabilities and medical conditions should provide advance notice to their airline or travel agent if they require assistance at the airport. TSA can only assist passengers with the screening process. If passengers require a companion or assistant to accompany them through the security checkpoint to their departure gate, check with the airline about obtaining a gate pass for that person before entering the security checkpoint area. Inform the screener about any special equipment or devices and where they are located. This will help the screener during a physical search if one is needed. Make sure all equipment, mobility aids and devices have an identification tag attached. If traveling with a service animal, passengers must assist with the inspection process by controlling the animal while the screener conducts the search. More information on travelers with disabilities, medical conditions, prosthetic devices and braces is available on the website www.tsa.gov.

Checked baggage is subject to hand inspection. The TSA recommends using locks that TSA screeners can open and re-lock instead of breaking the lock. The TSA lists some suggested locks on its website, www.tsa.gov.

WI-FI PROGRAM AT PHILADELPHIA INTERNATIONAL AIRPORT

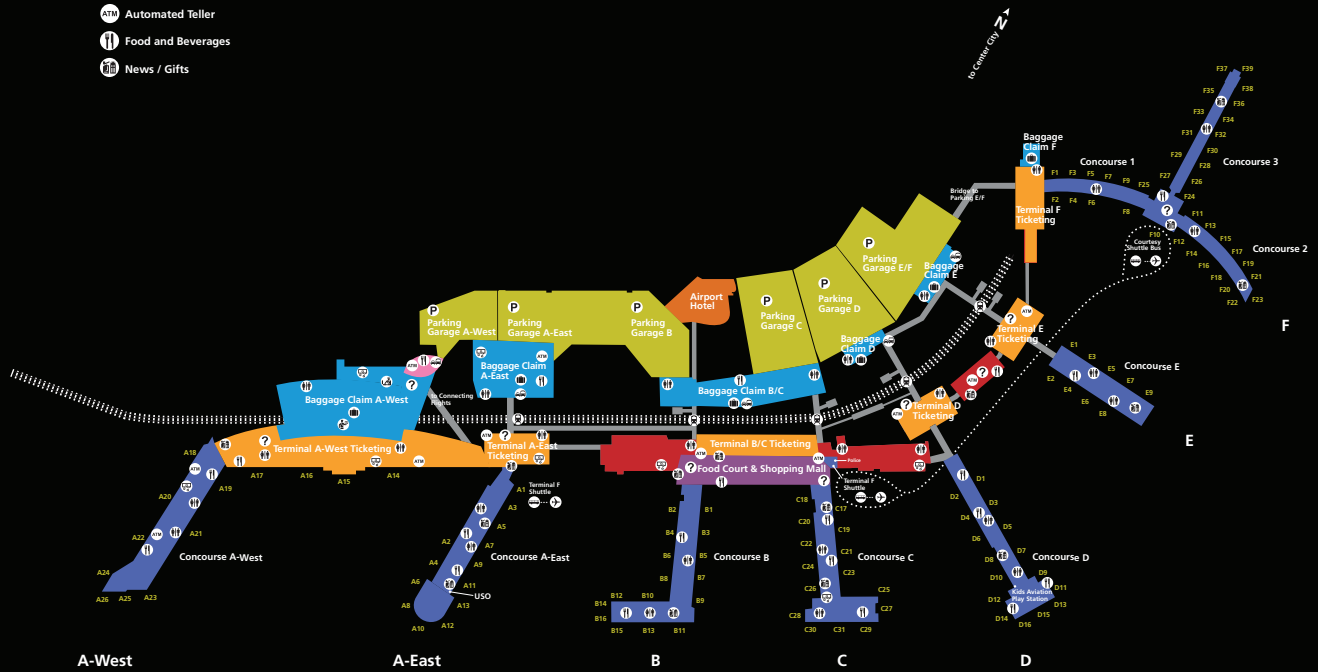

Philadelphia International Airport (PHL) offers high speed Internet access for travelers post security in all terminals. To utilize this service, passengers must have a computer with built in Wi-Fi technology or an 802.11b network interface card. To begin surfing the Internet, passengers need to launch their browser. Examples of browsers include Internet Explorer and Mozilla Firefox. Afterwards, passengers will be redirected to the PHL Wi-Fi Splash screen. This splash page will provide

IMPORTANT INFORMATION FOR TRAVELERS WITH DISABILITIES

Philadelphia International Airport strives to be accessible to all travelers. The Airport offers a variety of services and facilities to assist passengers in navigating the complex:

- Accessible restrooms
- Hearing aid compatible public phones with volume controls
- More than 30 TDD/TTY public phones
- Wheelchair accessible shuttle buses with kneeling capability servicing the Economy Parking Lot
- Moving walkways in 10 locations
- Fifteen ATMs equipped with audio jacks/Braille identifiers
- Mobile lifts for boarding and deplaning commuter aircraft
- Video Phones
- Visual Paging monitors
- Pet Relief areas in 7 locations

Travelers who need wheelchair and electric cart assistance should arrange for these services with their airlines.

Travelers with hearing or speech impairments can call the Airport's TDD/TTY number at 215-937-6755 or the **Pennsylvania Relay Service** at 800-654-5984 for TTY or 800-654-5988 for Voice Relay.

WI-FI PROGRAM AT PHILADELPHIA INTERNATIONAL AIRPORT (CONTINUED)

(continued from pg. 11)

various purchase options to access the Internet. Included in these options are several different plans ranging from \$7.95 for a 24-hour connection at the airport to a monthly-unlimited option for \$39.95 that works across the entire Wi-Fi network, as well as on roaming partner networks. In addition to the plan options, the splash page will offer free information and link to the PHL homepage. After accessing the splash page, passengers have the option of registering as a new user and receiving a Wi-Fi account with a secure user name and password or signing in as an existing user to access the network.

PHL, in partnership with AT&T, provides free, wireless Internet access every day to all college students. Students should present their college ID at any Airport Information counter for more information.

On weekends, PHL, in partnership with AT&T, provides free wireless Internet access. More information is available by visiting any Airport Information Counter.
