You can create a plan for each day of your trip.

Once you know what you will do each day then
you can pack your suitcases.

You can plan for one personal item and one small bag as carry-on.

Put your medications and small medical related items in a carry-on bag. They will not be counted as a carry-on bag.

Label your wheelchair and other items with your name,
address, and phone number.

Plan to have items you will need for your disability while in the Airport or on the plane.

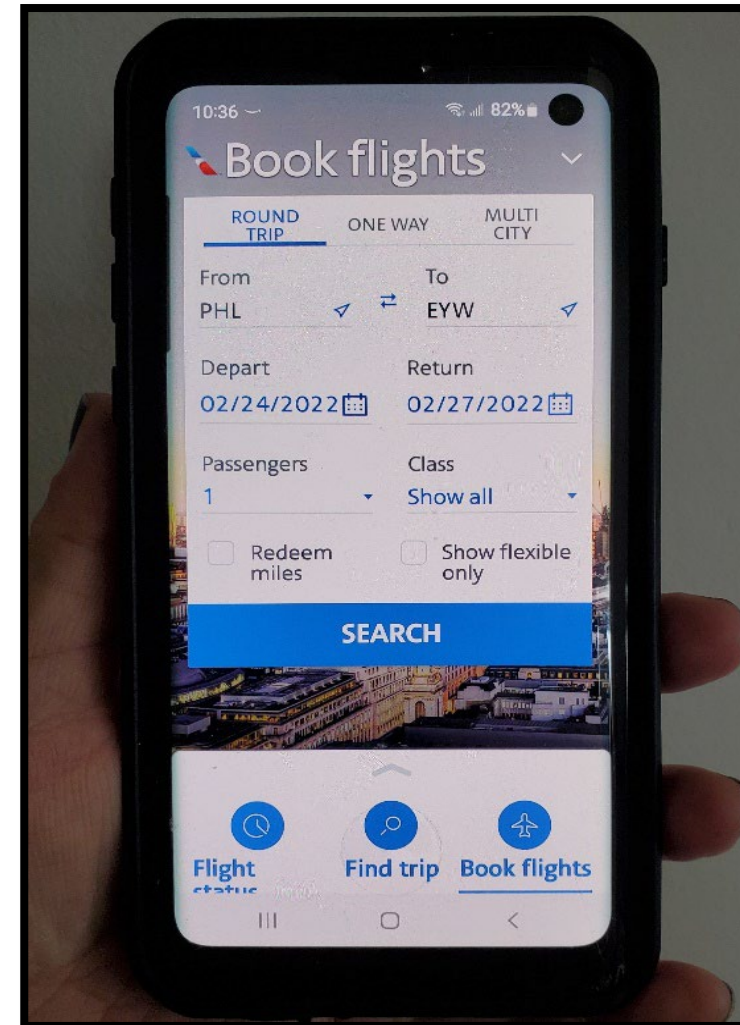

Plan your transportation options. Pre-purchase any tickets that are needed.

Determine if you want to use an app provided by your airline.

Plan how early you will arrive to the Airport so that you will have enough time.

You can use www.PHL.org to research the location of gates, restrooms, and amenities like the quiet room.

Contact the PHL ADA Office if you need an accommodation while you are at PHL.
