

The Department of Aviation Presents

AAAE Certified Member (CM) Program

Advance Your Airport Career- Become a Certified Member (CM)!

Earn your Certified Member (C.M.) designation to showcase your expertise in airport operations and grow within the industry. Open to AAAE members, this credential boosts career prospects in airport management.

You must pass a 180-question exam with AAAE's study support and maintain membership to keep your certification. Your C.M. can also count toward the A.A.E. program for further advancement!

Please attend one of informational sessions on how to apply!

✈ Why Choose to be a CM?

- Expand Your Knowledge- Gain in-depth airport management insights to improve safety and efficiency.
- Advance Your Career – Open doors to new professional opportunities with a highly respected credential.
- Invest in Your Future – Grow within PHL/PNE and create pathways for career progression.
- Stand Out – Earn a distinguished designation recognized across the industry.
- Increase Your Earnings – Qualify for credential-based pay!

✈ **Take the next step in your airport career today!**

Deadline to Sign Up is April 22nd, 2025
