

People who work at the Airport

Who Am I?

- ___ I sit in the cockpit and I am responsible for flying the plane.
- ___ I help you find your seat on the plane and serve you food during your flight.
- ___ I check your bags, give you your seating assignment and tell you where your gate is.
- ___ I use bright wands and flash lights to help pilots park their planes at the gates.
- ___ I make sure that the airplanes are running well and that the airport grounds are in good condition.
- ___ I stand in front of the terminal and check in your bags. I'm really helpful when you don't have time to go to the ticket counter.
- ___ I talk to pilots by radio and tell them when and where they can take off and land.
- ___ I sit in the cockpit and monitor the airplane's engines, air conditioning and other devices.
